

Dear chief judge Laura Taylor swain

03-24-2022

My name is Robinson Peralta I'm a pro-se litigant in case 1:21-cv-06395
I am writing this letter to explain that the judge hearing my case is
wildly biased toward the plaintiff (Robinson Peralta). I have Requested
for judge Jesse M Furman to recuse himself in a letter on the docket.
Not only is judge Jesse M Furman not being impartial, but he is also
showing a great deal of incompetence making wild orders ranging from
violating federal procedure rule four to trying to force the plaintiff to
amend the complaint to even lying to the plaintiff to favor the law
offices New York and the defendants. With this letter is enclosed a
more detail explanation with the labeled documents on the docket
that shows the plaintiff claims and clear bias. I (Robinson Peralta) the
plaintiff is pleading for chief judge Laura Taylor swain to have judge
Jesse M Furman recuse from this case, or do what ever you can to have
Jesse M Furman recused from this case. Please contact me by any
Means at any time. Thank you.

Any motion to recuse must be made to the
assigned Judge, not to the Chief Judge.

Plaintiff's latest motion is DENIED as frivolous.
If Plaintiff persists in making frivolous recusal
motions, sanctions may be imposed.

The Clerk of Court is directed to mail a copy of
this endorsed letter to Plaintiff.
